

Lakewood Congregational Church, 2021

Pledge Card

A pledge is a commitment that describes how you intend to share your resources with LCC for the upcoming budget year. It is a promise, but it is not a legally binding contract. If circumstances change, we simply ask that you contact the church office so that we can adjust your pledge accordingly. When you pledge, you're saying, "this is what I think I can give on a regular basis to help the place I love continue to bear Christ's light in the world."

This pledge allows LCC to develop an accurate operating budget, and to discern the mission and ministry for this current season.

This information will be kept within a small group of people who manage deposits at LCC and is in no way a reflection of your value and worth to Lakewood Congregational Church. Every person who is a part of our community is valuable and beloved regardless of how much they are able to contribute. No matter who you are or where you are on life's journey, it brings us so much joy to simply experience your presence in our midst.
